Defendant.)	

THIS MATTER IS BEFORE THE COURT on Defendant's "Motion To Seal Application For Issuance Of Subpoena" (Document No. 135) filed May 18, 2018. In accordance with the Local Rules, the Court has considered the Motion to Seal, the public's interest in access to such materials, and alternatives to sealing. The Court determines that no less restrictive means other than sealing is sufficient inasmuch as Defendant's Application contains sensitive and private information that is inappropriate for public access. Having carefully considered the motion and the record, and for good cause, the undersigned will grant the motion.

IT IS, THEREFORE, ORDERED that Defendant's "Motion To Seal Application For Issuance Of Subpoena" (Document No. 135) is **GRANTED**, and Defendant's "Application For Issuance Of Subpoena ..." (Document No. 134) is sealed until further Order of this Court.

SO ORDERED.
